

## REMARKS

The specification has been amended to add a description of Figure 6C to the Brief Description of Drawings. It is believed this amendment corrects the inconsistency noted in the Notice of Drawing Inconsistency with Specification mailed on February 6, 2006.

Reconsideration of the application and allowance of all claims are respectfully requested based on the preceding remarks. If at any time the Examiner believes that an interview would be helpful, please contact the undersigned.

Respectfully submitted,

Dated: 2/28/06
